峰会主题

每家企业都面临各自不同的挑战与环境，想用教条式的方法硬套精益的工具，即使短期奏效，也很难持续。为什么？

我们特别为您邀请了全球享有盛名的精益大师来为大家介绍精益思想与改善的精华。同时还请到12位来自不同行业的中外企业家，与大家一起分享他们实施精益的心得—成功的经验与失败的教训。希望您能从峰会期间许多面对面的交流中，找到解决的方案。

Introduction

Each company faces different business challenges and environment. When they apply lean tools, they can achieve amazing results in a short time. However, most of them have a tough time to sustain what had obtained. Why?

We are proud to bring you two globally renowned lean gurus to talk about their recent research and implementation of Lean Thinking and Kaizen. We have also invited 12 corporate executives from different industries/companies to share with you their lean journeys -- success stories and lessons learned. We hope you will find the solutions from the face-to-face communications with these lean pioneers in China.

培训一：A3流程——培养解决问题能力、增进团队沟通、培养经理人
Workshop A: A3 Process—Develop problem solving skills and improve
communications among cross-function groups

公司的管理层的责任包括业务、培养人才、建立团队。John Shook多年来研究精益思想，发现引导员工去思考并分析问题、找出解决方案，是培养人才的有效方法。这也是企业持续发展，并将精益融入企业文化的唯一途径。“A3报告”是一个重要的工具，能帮助企业解决问题、促进团队沟通，并提高员工解决问题的能力。

通过本课程，我们将学习到：

- 1, 如何撰写A3报告----用一页A3纸来讲述一个故事，包括问题、背景、现状、改善目标、行动计划、时间及负责人等。
- 2, 如何使用A3报告，去思考及分析问题，并找出解决方法
- 3, 如何通过A3报告，促进组织内部沟通，并提高团队的向心力

A manager has two major tasks: to managing business and developing subordinates. Through many years' research and practice in lean implementation, John finds that the sustainability of a lean improvement relies on employees' problem solving skills and PDCA process. A3 is an enabler for employees to learn problem solving skills and implement PDCA.

The course will teach you:

- ✓ How to use A3 to tell a story about a problem, its background, current situation, improvement target, action plans, timing table and responsibility.
- ✓ How to use A3 to report the analytical results and to develop solutions.
- ✓ How to use A3 to improve communications among cross-function groups and to build a team.
